## President's Message:

**WOW, look at the beautiful snow! I suppose one of the reason's I love the snow is because it makes me feel like snuggling up in a cozy quilt and watching Hallmark movies. As many of you know I also got 2 sewing days in January since school was canceled but I didn't quilt, I sewed doll clothes! My great niece has a cute little 12 inch baby doll so I am loving the opportunity to sew some vintage clothes for her to dress her doll up with. It is so easy to sew for girls but what about the boys? I am still pondering how I can equalize my sewing so if you have any ideas PLEASE let me know! Don't forget to keep making progress on your Quilt Show entries. See you all soon!**

### **Committee Reports:**

Girls Inc: JoAnn Sadler is still in need of ladies to help teaching the girls to sew. They' meet on Tuesdays from 6:00 – 7:00. Ideally would like to have a mentor for each girl. We have five students each week, please volunteer your time as the girls really enjoy learning.

Sunshine Quilts: Alyce King has 100" batting. Minimum quilt size is 44"x50". She could use more quilts for children. Labels are available to sew on. Vicky Johnson had a request for a little boy who just lost his father, due to a murder, and the mother has lost custody of him. Keep him in our prayers.

Festival of Trees: LaToma Hauff did not have an ornament count available, as many had been turned in this evening. Her committee will meet and judge the ornaments for awards and to decorate on Saturday, November 19. LaToma said that all ornaments she has received are very nice and she appreciated the donor's efforts.

Secretary: Vicki Williams

Newsletter: Mary Baklund

Newly elected officers will attend the December Board meeting and take over their positions at the January meeting.

### **New Business:**

- Jane Vereen said she thought it would be a good idea for the Guild to purchase a quilt hanger to be used for the raffle quilt. The hanger described in the brochure would be easy and lightweight for going to show quilt. Motion was made and seconded to order/purchase a quilt hanger at a cost of \$139. Motion was unanimously approved. Sherry Book reminded the guild that she is collecting winter mittens, hats and scarfs, bring next month to be donated, So Sioux City, NE schools could use these winter necessities. The Fons & Porter magazine subscriptions are due by November 20<sup>th</sup>. Send the entry and \$20 to Michele Matney, the guild will receive \$5 out of the \$20 for a fundraiser.

**Program:** Sheila Rogeness explained that the program would be each member making a bottle of Best Press. The Guild provided the everything needed. After everyone had a chance to make 1 bottle, if there were extra supplies, a 2nd bottle could be made for \$3. While members lined up to make their Best Press, Sheila shared some quilting tips. Tips including: Storing your quilts rolled up on a swimming noodle; use a new toilet brush to help pick up threads off the carpet or floor; make a stiletto using a turkey pin and add a few beads and bend the end to keep the beads on; drapery hangers are another great idea to store your quilt on; putting a piece of white paper behind the eye of your needle eye will help you see better; use nursing tape or painters tape on the back of rulers to keep the ruler from slipping when cutting fabric.

We enjoyed Show and Tell.

Meeting was adjourned.
